The Arabic Language Centre is located in the Dubai World Trade Centre exhibition complex. We are in hall number four on the first floor. So come to hall number four. On entering Hall 4 you will find stairs on your left and a lift on your right. Take either to the first floor, once on the 1st floor, go left to the end of the corridor where you will find our offices. You can either park across the road in front of Halls 1 to 4 or the multi storey car park both paying parking. Please note that on which ever floor you park , access to the Convention Hall is through level one so take the lift to level ONE and then walk through the long corridor then take lift or escalator to the ground floor. You then walk inside the building towards hall four through Al-Multaqa.
